Dard kya hota hai bataenge kisi roz
Kamaal ki ghazal tumko sunaenge kisi roz
Thi unki zid ke main jaon unko manane
mujhko ye weham tha wo bulaenge kisi roz
Us rab ki qasam maine to socha bhi nahi tha
Wo itna mere dil ko dukhaenge kisi roz
Har roz aaine se yehi poochta hoon main
Kya rukhsar pe tabassum bhi sajaenge kisi roz
Urde do in parindon ko Azaad fiza mein
Gar honge Tumhare to palat aenge kisi roz

Jaab teri Yaad Se Ghafil Kabhi ho jaunga
Dekh Lena Main Zameen odh Ke So jaunga
Tere Pass Ake Hasunga Lekin
Jate jate Teri Palkon Ko Bhago jaunga
Ek Nigha-e-Karam Amaiz Zara Ho Jaye
Jitne Dhabbe Mere Daman Pe hain Dho jaunga
Hai yaqin, Ek Roz Wo Ayega Inshallah
Rote Rote Usi Dehliz Pe So jaunga.

is pyar ka koi gawara nahi hota
mit jati hai do zindgi pyar me
fir bhi ye pyaar hamara nahi hota.

khusiyon par fijao ka pahra hai,
dil na jane kis ummid par thahra hai.
aankho se chhalakate aanshuo ki kasam,
aapke pyar ka rista hamari sanso se bhi gahara hai.

unki bewafayi ko bhi maine unka pyar samjha to kya kasoor mera tha
haan par maine unse pyar manga jo ki kasoor mera tha.
